

Presented by the Linked Ladies of Langhorne

Be the Expert – Get LinkedIn

Speaker: Lynne Williams, Ed,D

Did you know LinkedIn has over 930 million users worldwide, welcomes three new members every second, and is a database for networking and relationship building? That's a powerful platform for building business. In this interactive session, you will learn how to define your value proposition, build your personal brand, optimize your LinkedIn profile, and leverage your competitive edge.
